Date: Tuesday, January 27, 2015
District: 6 - Fresno
Contact: Gloria Rodriguez (559) 444-2409
Email: gloria.rodriguez@dot.ca.gov

SOUTHBOUND I-5 LANE CLOSURE NEAR JAYNE AVENUE TOMORROW

WHAT: SLAB REPAIR PROJECT ALONG SOUTHBOUND INTERSTATE-5 (I-5)
REQUIRES #2 LANE CLOSURE.

WHEN: BEGINS TOMORROW MORNING, WEDS, JAN 28TH - 8:00 A.M. UNTIL NOON.

WHERE: FRESNO COUNTY; ALONG SOUTHBOUND I-5 NEAR JAYNE AVENUE
OVERCROSSING.

The California Department of Transportation (Caltrans) announces construction personnel will conduct a slab repair along southbound I-5 near Jayne Avenue in Fresno Co. In order to safely implement this repair, the #2 two (slow) lane of I-5 will require a full closure within the project limits. **(Schedule or specific closures are subject to change due to unforeseen circumstances which may occur during contractor operations).**

Motorists may experience traffic delays along I-5 during this time as only the (fast) lane closest to the median will be accessible to motorists. Motorists are encouraged to avoid this area or use an alternate route whenever possible.

In partnership with the California Highway Patrol (CHP), CHP enforcement may/will be present to provide extra support for traffic control. Message signs will be visible to motorists notifying drivers of work ahead and upcoming lane closures and the need to merge accordingly.

Caltrans would like to thank commuters for their patience during this repair project. The public is reminded to be alert for contractor and Caltrans personnel as the safety of our motorists' and work crew personnel is most important, therefore, please stay alert and "**Slow for the Cone Zone**" in all Construction and Maintenance Zones at all times- remember, Stay Work Zone Alert!
